

YOUR DOG'S TOP 2 FAVORITE DELICIOUS WAYS TO CELEBRATE RAWGUST

1. GIVE A DOG A BONE! a RAW bone!

- Try this if you want to give your dog some neck-xercise* and keep teeth clean with a long-lasting chew.
- Marrow bones are great once a week as a treat, Meaty Necks are a great meal replacement a few times a week!

2. BOOST THE FOOD BOWL!

- Level up your dog's nutrition and support a healthy weight.
- Freeze dried foods and treats, goat milk, frozen greens, or even a raw egg are great to mix in with food and see what they love most

*Neck-xercise – verb – an activity, such as chewing on a raw bone, that supports healthy neck and shoulder muscles
